

## **Egremont Board of Health**

**Thursday, June 4, 2020**

### **Zoom Meeting**

**In Attendance:** Charles Ogden, Chairman, Dr. William Rose, Ellen Maggio

**Recording:** Juliette Haas, Director

- 1) Chairman Ogden called the meeting to order at 10:08 am. The minutes from the May 21, 2020 meeting were approved with minor corrections (3-0).
- 2) **Walley/5 Prospect Lake Road** Plans for the upgraded septic system have yet to be submitted. The board has expressed their desire to have the upgraded system installed no later than the end of this year.
- 3) **Straher/24 Lakeside Drive** An email to Mr. Straher requesting a timeline for his plans to remove the structure has gone unanswered. The board will request input from both the Conservation Commission and the Building Inspector regarding the work involved for removing the structure. The board discussed the possibility of issuing an Order if the matter continues to drag on.
- 4) **COVID-19**
  - a. The Town Meeting safety plan is as follows: held outdoors in French Park on Tuesday June 23rd; a separate, dedicated section of the audience for those not wearing masks; residents will be encouraged to bring a chair, bug spray and a flashlight; attendees will be given individual microphone covers and microphones will be sanitized between users.
  - b. Transfer Station: the Select Board will be discussing the reopening of services at the Transfer Station at their next meeting
  - c. Restaurants: Phase 2/June 8th will allow outdoor seating with restrictions. Indoor seating is planned to follow later in Phase 2. The Barn and John Andrews have submitted applications to the Select Board to have outdoor seating and are preparing reopening plans.
  - d. Lodging: Phase 2/June 8<sup>th</sup> will allow hotels, motels, B&Bs and AirB&Bs to reopen.
- 5) **Field Work:**
  - a. Tank installation/111 Egremont Plain Road
  - b. Septic system final inspection/60 Creamery Road
  - c. New Leach field/12 Baldwin Hill – New leach field was installed due to sand clogging holes in infiltrators. Field was removed and reinstalled with stone around infiltrators.
- 6) **Millard Road LLC/Millard Road** New construction septic plans were submitted to the EBOH by Kelly, Granger & Parsons for a four bedroom design. Director Haas reviewed the plans.
- 7) Meeting adjourned 11:02 am.
